

Our Motorhome

This motorhome is the perfect layout and size for family adventures and spacious couple getaways. It can also be driven on a standard driving licence. The motorhome is a 6-berth and comes with 6 travelling seats (4 x 3-point seat belts and 2 rear-facing lap belts).

The motorhome comes with fixed rear bunk beds, and 1 x king-size over-cab bed and the dining area also converts into a double bed.

The hire comes equipped with everything you need for your own home on the road. All you need is your own clothing and personal items to get going!
